THE KEYSTONE STATE.

Philadelphia Goes Back on the Republican Party—The Usual Majority not Forthcoming.

Philadelphia, November 8.—Philadelphia will have less than 15,000 majority Wright. Democratic candidate for Sheriff has 6,000 majority. Berks, 7,700 Northampton, 4,100. Cumberland, 1,200 Clearfield, 1,900. Columbia, 2,300. Lehigh, 2,500 Monroe, 2,300 and Clinton, 1,000.

CHICAGO, Nov. 8.—The republicans claim this state by from 15,000 to 20,000 majority. It is conceded that Hayes has carried the state. Dispatches from Wisconsin claim the state for the democrats, but the republicans are equally confident of having carried it.

Minnesota, Iowa and Kansas have gone republican. Reports from other western states vary but little from last night's dispatches, and not enough to change the result.

"No North, no South, no East, no West,"
"them's" our sentiments.

FLORIDA ALL RIGHT

Tilden's Majority 1,720 at the Lowest.

The Land of Alligators still Sending in Reports—When will the Suspense End?

LAKE CITY, FLA., Nov. 9, 9:30 P. M.—Key West, Monroe county, gives Tilden 987; Hayes, 988, a Republican majority of 1. Florida, honestly estimated by Democrats gives 1,720 majority as the lowest possible figure.

ALABAMA.
Still Better Returns—Tilden Gets 35,000 Majority.
MONTGOMERY, ALA., Nov. 9, 9:30 P. M.—Enough returns have been received to show at least 35,000 majority for Tilden, and an unbroken delegation of Democrats to Congress.

OHIO.
COLUMBUS, November 8.—Returns from Ohio by counties come in slowly this morning, but enough is known from those at hand, and the rate of increase on the vote of 1875 to fix the majority of Hayes at from 6,000 to 7,000, or substantially the majority by which it was carried by Barnes last month.

SOUTH CAROLINA.
CHARLESTON, S. C., Nov. 9.—The latest returns from South Carolina indicate that the Democrats have carried the State for Tilden by 2,000 majority.

LOUISIANA.
Confirmatory Dispatches—Democratic Majority at Least 10,000.

NEW ORLEANS, Nov. 9, 8:30 P. M.—Chairman Patton, of the New Orleans Democratic Committee, says returns tonight in twenty parishes show Tilden 15,235 ahead. This is a gain of 8,478 on the vote of 1874. He asserts that the State of Louisiana will give Tilden 10,000 majority.

THE "HERALD" CONCEDES 7,000.
NEW YORK, Nov. 9.—The Herald's Louisiana special says: The State has gone Democratic by 7,000.

KELLOGG WILL DOCTOR RETURNS
The following has been received from Republican headquarters at the Fifth Avenue Hotel: Gov. Kellogg telegraphs as follows: The returns are better than expected. Be easy so far as Louisiana is concerned.

RADICAL INFAMY.

The People of Louisiana to be Disfranchised—The Kellogg Returning Board to Wipe Out a Democratic Majority—A Most Infamous Plot.

[Associated Press Dispatches.]
New Orleans, November 8.—The following special is from a Democratic source.
CLINTON, EAST FELICIANA PARISH, November 8, 1876. }
Owing to the failure of the Registrar to fill his appointments, a large number of voters were not registered Seventeen hundred and forty three registered voters were polled, of which Hayes got 3, Tilden the balance. At the polls conducted by the United States Supervisor, 443 voters, who had been unable to register deposited ballots in a separate box, all Democratic. Republicans refrained from voting. There was no intimidation. The gross number of voters was within 300 of this number at the last election. Many

Democratic voters were deterred by want of registration, while some blacks fraternized and all are jubilant and happy.

THE PLOT PREPARED.
The above majority of 1,840 shows a Democratic gain of 2,581 over 1874 vote. Prominent Republicans say voting in East Feliciana was informal and votes will not be canvassed by the Returning Board the register sent there having been intimidated. Other Democratic parishes will be treated the same way for similar reasons. Charges of intimidation, etc., will be made. Ouchita parish—Democratic majority in parish 1,087, Democratic gain of 1,915 over vote of 1874, when Dubrecket, Republican received 828 majority.

ARKANSAS.
LITTLE ROCK, ARK., Nov. 8.—Scattered returns from various parts of the state indicate a majority for Tilden of 2,500. The democratic congressmen are probably elected in all the districts except the Third district, where two democrats and one republican are running. The election in this district is close, but is claimed by the republicans.
